GRANT APPLICATION GUIDANCE NOTES

Projects **MUST** benefit the residents of the Big Local DY10 Area. This is not a postcode area but a specific area as shown on this map (www.biglocaldy10.org/our-area) and covers parts of the Horsefair, Broadwaters and Greenhill.

1. Where is the funding coming from?

This Small Grants Fund is made available by Big Local DY10, a recipient of Big Lottery money, and is available to individuals and not-for-profit groups for projects based within or benefitting the residents of the Big Local DY10 area as specified on the above map. There is a total of up to £5,000 per quarter available in small grants for projects.

2. Who can apply?

a) Local residents, people who live, work, study, or volunteer within the Big Local DY10 area.

Applicants must be able to provide a character reference from someone who is independent from them (non-family member or relation).

Individuals can apply once per quarter and there are age restrictions on amounts that can be requested. See section 3 for more details.

b) Existing Not-for-profit groups

Groups applying have to be able to clearly demonstrate that they have been active in a community over the last 12 months with evidence of activities or services previously delivered. Groups must be constituted with a suitable dissolution Clause to be eligible. The proposed project MUST be beneficial to the Big Local DY10 area.

c) New Not-for-profit groups

We will consider applications from newly formed Not-for-Profit groups. The proposed project MUST be beneficial to the Big Local DY10 area.

3. How much is available and for how long?

The Small Grants fund is currently £5,000 per quarter. The quarterly limits for grants are:

- Under 16 years of age up to £100 per quarter
- 16 and above up to £1,000
- Not-for-Profit groups up to £2,000

Amounts above these levels will need to be considered by the full Partnership.

- Individuals have 6 months to spend the grant and deliver activities from the date of the award.
- Not-for-Profit Groups have 1 year to spend the grant and deliver activities from the date of the award. Groups are able to apply in each quarterly funding round and can have up to 4 successful bids in any 12-month period.
- If the award is not spent in the time limits it must be refunded to the Small Grants fund.

4. What can funding be used for?

Projects MUST demonstrate **sustainability or upskilling**. The Committee will only fund one-off events if they are a trial. The Committee will fund new projects and initiatives rather than existing ones. However they will consider funding to progress an existing project to a higher level but generally they will not fund things that are already in existence or the same project twice. Projects cannot be funded retrospectively.

The funding can be used for a range of projects that will provide positive activities to BLDY10 residents, including:

- The purchase of equipment e.g. sports equipment, furniture, gardening equipment, plants.

Note: Equipment purchased with Big Local money will be listed as a Community Asset and the DY10 Partnership will request they are shared with other Groups or residents of the area.

- The costs of putting on a local event or workshop
- Staff costs to enable the employment of individuals

- Employing sessional staff
- Venue hire or rental costs
- Contribution to rent costs (related to activities/service delivery)
- Training for volunteers
- Additional activities to expand an existing funded project

- Projects that increase community cohesion in the area.

Exclusions
